## **Earl's Comments - - -**

I extend an invitation to you to come to Gordon, Nebraska, February 10 for my 1976 Production Sale. I have what I feel to be a good set of useful bulls sired mainly by Scotsdale Caesar or a son I have been using. When I first saw Scotsdale Caesar, I felt he would do the job for me and my customers. This has been true, and I am sure when you see the offering you will be pleased.

I am also parting with some real good bred females which you would be proud to own.

I hope you will join us on February 10 for this 1976 sale.

Thank you,

**Earl Burress**

## **The Sale Staff Comments:**

The annual Burress-Huckfeldt Production Sale has been an event where cattlemen meet to improve their profit picture. I know the Shorthorn cattle that these two firms represent are proving to be profitable.

The fact that there is more involved in the cattle business than going to town with the calves has been making these Shorthorns very popular.

Replacement females that milk good and breed early and mother a good calf have been important items in these fellows breeding programs. I am sure you will agree once you have joined the ranks or return to the ranks of their many satisfied customers.

SCOTSDALE CAESAR—By Scotsdale Tehran, is out of a Calrossie Prefect Rosebud cow that is also the dam of Scotsdale Uvira Rosebud, winner of the cow class at the Royal Winter Fair three years in succession. Caesar won his class at the Royal as a junior yearling and has matured into a bull of tremendous size and still retains character and quality. He has seen service at Scotsdale before Earl purchased him for \$3,000 at the Brandon International. At one year of age he weighed 1,045 lbs. and now weighs well over a ton in range condition. Truly one of the largest Shorthorn bulls in the area.

**J H WONDER 34**—This chief herd sire in the Earl Burress herd is one of the very top bulls ever produced in the Huckfeldt herd. He is a ton bull that has size, scale, length and good elevation. In addition he is a good headed, well balanced, level lined, smooth and well muscled throughout. His sire is the 2100 lb. Denver sale reserve champion Double Wonder K. His dam is an outstanding big, roomy producing granddaughter of a great imported Marshall Augusta cow that sold with calf at side for \$5,000 in the famous Femco Dispersion. His dam is also the dam of the \$1,600 Huckfeldt sale second top bull that went to Paynee Shorthorns, Genoa, Nebr., and one of the top cows that went to Roger Applegate, Oakland, Iowa.
